It's Good for You - It's Good for the Kids!

It costs you nothing! It helps students! It's Easy!

The Summer Chess Program at Imagine Elementary at Tempe is designed to help prepare your child for the 2010 Summer Chess Academy. The 2010 Summer Chess Academy will be held from June 21 - July 2 at Imagine Elementary at Tempe. Qualified Imagine Elementary at Tempe students who complete the Summer Chess Program will be admitted to the 2010 Summer Chess Academy on full scholarships.

Please make a \$50 weekly tax-credit donation to help cover the cost of physical education classes and healthy snacks which would normally not be included in a typical chess camp. We have a physical education instructor on staff to make sure that your child gets plenty of physical activity during the course of the day here.

Please refer to the attached donation form and please make a regular donation every week while we are in session. The limit for married filing jointly tax credit donations is \$400 and \$200 for single individuals.

Best Regards,
